

# Alcohol Overdose It's A Medical Emergency!

- Alcohol can be poisonous or lethal.
- A person should **NEVER**, lose consciousness, pass out, or fall asleep from drinking. If this happens, **call immediately for help.**
- Alcohol is a depressant. This doesn't mean it makes you sad. It can cause your breathing and heart to stop.
- Alcohol is 5 times more deadly than cocaine, heroin, and every other illegal drug combined.
- Make the right choice - **call immediately for help.** Your quick action can save a life. You will **NOT REGRET** having acted responsibly.

**DON'T JUST LET THEM SLEEP IT OFF  
THEY MAY NEVER WAKE UP!**

**For more information call: (914) 591- HELP  
In case of emergency: 911**
